

Join The Team

April 2023

A+T design and manufacture instruments for the high-end yacht market of Superyachts and race boats. In its first few years of trading, it has developed a leading position and full range of instruments with equipment on over 500 of the world's largest and fastest yachts. Our overriding goals are highest quality engineering, very good support and service.

Head of Sales

Dynamic and motivated sales professional with an understanding of the marine industry. Working alongside and as part of the Senior Leadership Team you will have a proactive and passionate approach, be responsible for developing new opportunities and will therefore play a key part in the company achieving its ambitious future growth plans.

Head of Technical Support

Strong technical support with a background in marine electronics, navigation or technical performance in the superyacht or race boat market. This is a great opportunity for someone with good technical understanding to join a vibrant and rapidly expanding business. Providing after-sales technical support for our range of products, primarily responsible for handling email-based technical queries from customers, it may also include providing presales advice and support on other brands.

Receptionist / Office Assistant

We are looking for a very enthusiastic, all-rounder. This role has a wide range of activities to support the team. This is an extremely exciting role with plenty of opportunities to grow with future promotion possibilities. Experience in the marine industry is not essential but would be advantageous.

To apply please send a cover letter and CV to gemma.morgan@AandTinstruments.com quoting the position you are applying for.

No agencies please.
