# ANALOGUE DISPLAY

Classic style  
analogue display  
with domed glass  
front and latest  
mechanical and  
electronic design

Compatible with a wide range of interfaces:-

- Fastnet for legacy B&G systems
- CANbus (N2K compatible) for H5000, WTP3, Garmin
- Ethernet for full connectivity with A+T ATP Processors
- Beautifully engineered; design tested to 1 bar of over-pressure
- Domed glass lens for scratch resistance and clear vision (can be replaced if scratched or broken)
- Removable desiccant, should moisture eventually penetrate unit then remove and reactivate
- Aesthetically matches A+T and B&G displays (113 x 113mm) and fits the same 70mm diameter cut-out
- Bluetooth link for configuration and backlighting colours and options
- 436g
- Power 10-40v dc
- 3 year warranty on return to factory basis, see A+T website for more details
- 24/7 telephone support is provided direct from A+T Instruments.
